

Guide to 'Registration Form for Extrastat Data Providers'

Please fill the Registration Form for Extrastat Data Providers according to the following:

1. Holder of the Single Authorisation for Simplified Procedures

Enterprise for whom centralised customs clearance is granted by the Customs Authority (in the supervising member state). This is the entity liable to statistical data provision, ordered by the Hungarian Data Collection Programme 2193.

2. Consignor (exports), or consignee (imports) in Hungary

In the second section of the form please give details of the enterprise that is marked as consignor (for export procedures), or consignee (for import procedures) on the supplementary SAD documents lodged in the supervising member state. If there are more than one consignor/consignee relating to the customs procedures covered within the centralised clearance, please fill separate forms per consignor/consignee.

3. Extrastat data provider

In the third section please give details of the enterprise that is responsible for the effective data reporting (on behalf of the company named in first section).

In addition, you have to name the person who will provide the statistical data and act as a contact person further on. This person will be given access to the electronic data collection system of the Hungarian Central Statistical Office.

4. Contact person

In the fourth section of the form please give details of the person who filled in the form.

In each section of the form please fill in the Hungarian VAT number of the company, if applicable.

Please note that the forms should be signed by the Holder of the authority for centralised clearance (or by a representative authorized by the Holder).
