

Methodological notes – Effects of changes

During the compilation of preliminary national accounts for 2017, the backward data were revised due to routine revisions, corrections of errors during the checking and finalisation of data, inclusion of the results of compiling supply and use tables for 2015 and inclusion of changes in the data sources used for the calculations.

Table 1

Effects of changes on GDP

Year	Published in September 2018	Published in September 2017	Difference		Published in September 2018	Published in September 2017
	at current prices, billion HUF			%	volume index, previous year=100.0%	
1995	5 835.6	5 835.6	0.0	0.0	–	–
