

When the Hungarian movie makes once again a bang

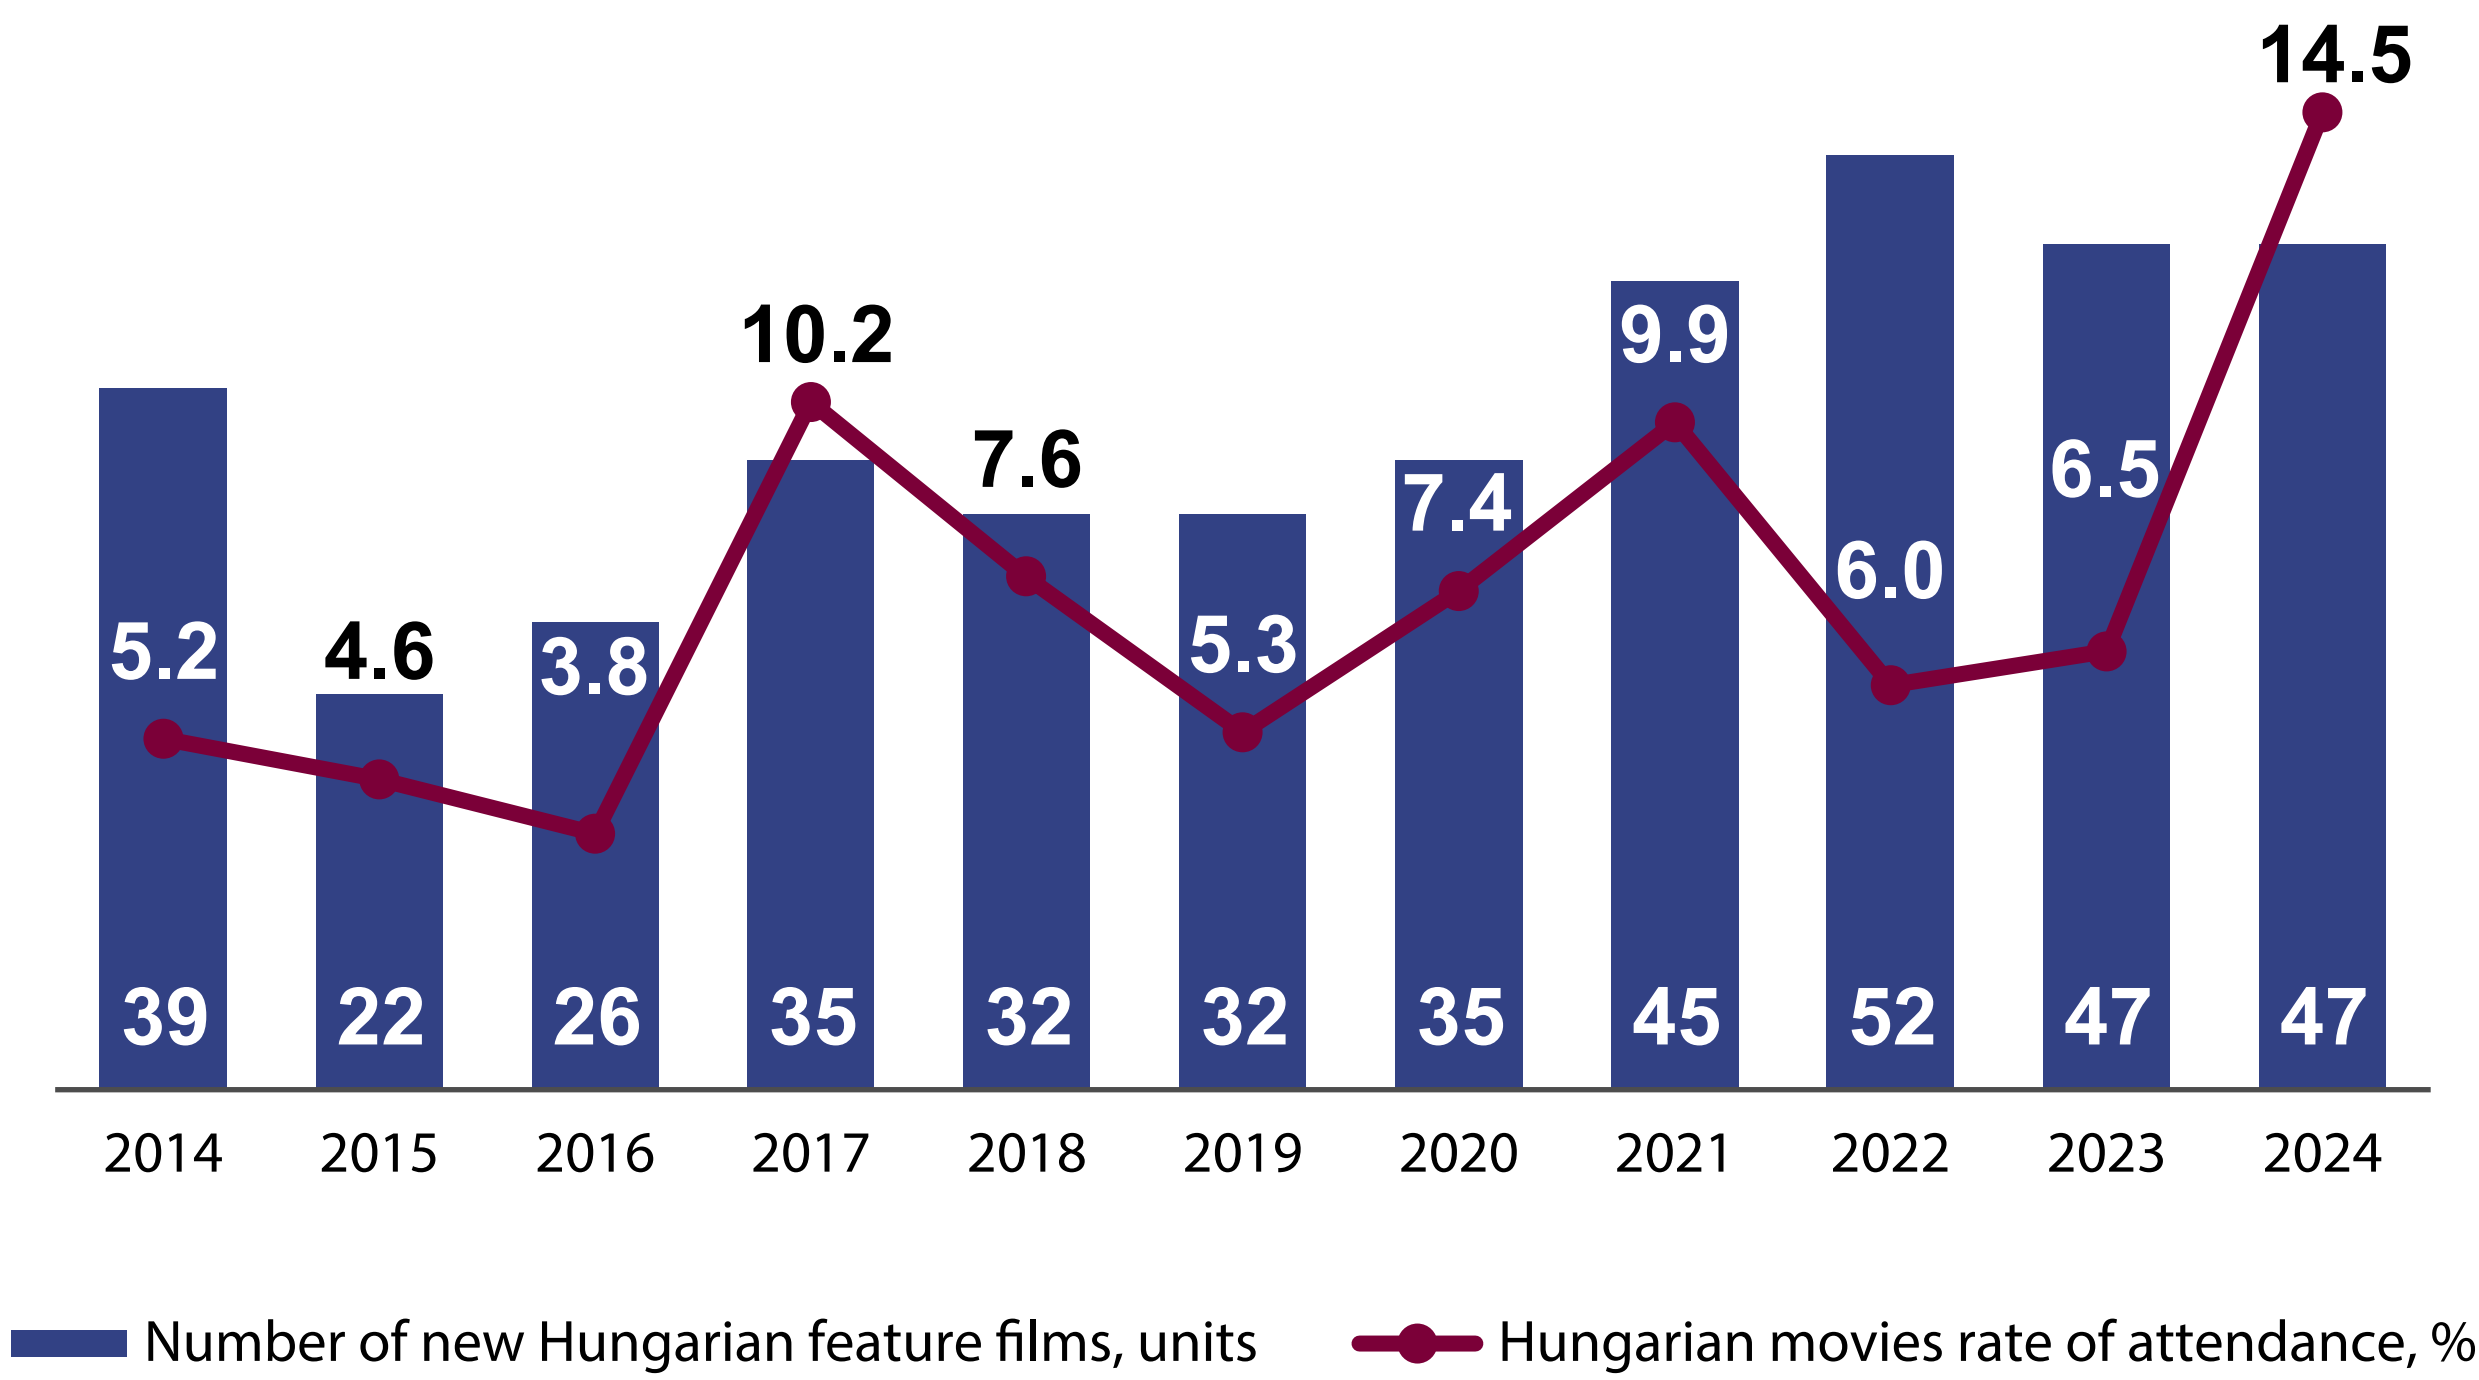

Movie hits after 1990

A new golden age started for Hungarian feature films, highlighted in 2024 by the following:

-  out of the 10.7 million tickets sold 14.5% were for Hungarian movies, compared to 6.5% one year earlier,
-  attendance at Hungarian movies, coming close to 1.6 million increased by more than 2.1 times,
-  viewers loved the *How Could I Live Without You?* musical and the *Gone Running* romantic comedy, four out of ten people bought tickets for these,
-  these two movies became the first and second most-watched and highest-grossing Hungarian films released since the change of regime.

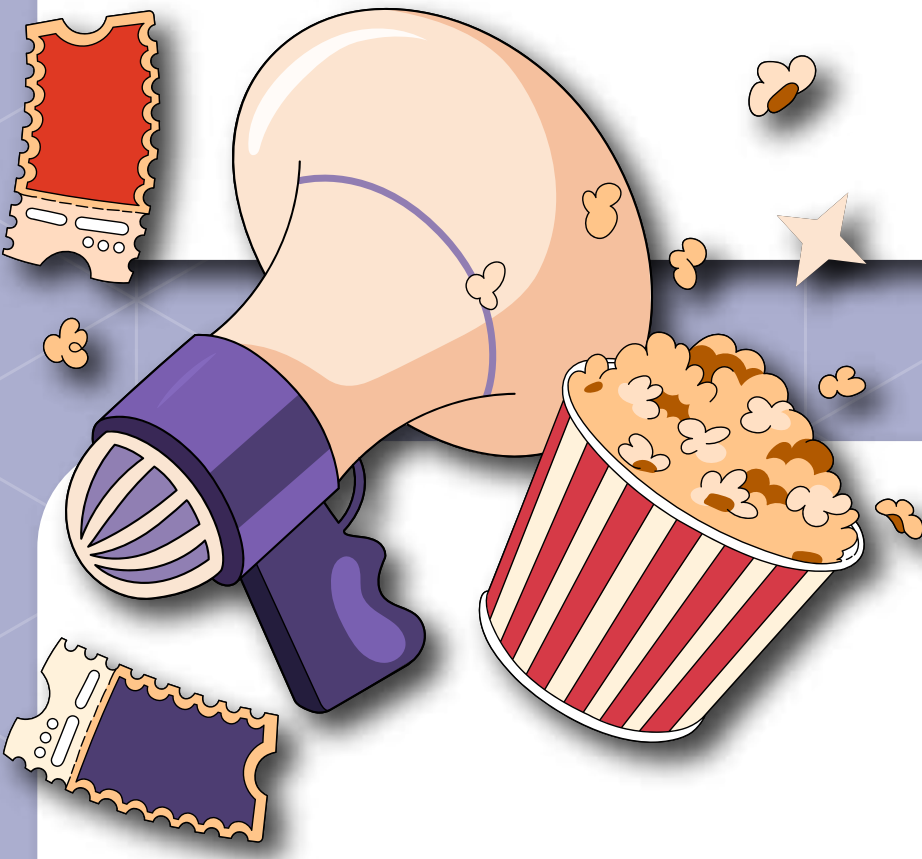

Number of new Hungarian feature films and the Hungarian movies rate of attendance
