## Regional Differences in Society POPULATION AND VITAL EVENTS

### Proportion of the urban population, 1 January 2025

On 1 January 2025  
18% of Hungary's population  
lived in Budapest,  
20% in the 25 cities of county rank,  
32% in the other 322 towns,  
meaning that

**7 people out of  
10 were city  
dwellers.**
